This policy will be reviewed summer 2019

1 Introduction

1.1 SHINE Multi Academy Trust (SHINE) is dedicated to providing the best possible education and support for all pupils within its academies. This means having a clear, fair, and efficient behaviour policy. We adopt a positive approach to encouraging children to behave well and celebrate this throughout their time at school. SHINE prides itself on its desire for all children to succeed, therefore all the academies involved within the multi-academy trust will endeavour to support children with their behaviour when appropriate. However, SHINE is also committed to providing an excellent education for all pupils and will tackle incidents of poor behaviour clearly, efficiently and fairly.

1.2 SHINE's Board of Trustees (Board) welcomes feedback on the services it provides. Should anyone be unhappy with any aspect of an academy within SHINE, it is important that the Board and relevant academy learns about this. The Board recognises there is a difference between a concern and a complaint. Taking informal concerns seriously at the earliest stage reduces the numbers that develop into formal complaints. The Board aims to ensure that concerns are handled, if at all possible, without the need for formal procedures. SHINE's formal complaints procedure is only necessary if efforts to resolve the concern informally are unsuccessful. Where an individual may feel that an issue has not been dealt with appropriately it is important, for all involved, that there is a clear and transparent process for a complaint to be considered.

1.3 This policy outlines how individual incidents of poor behaviour and persistent poor behaviour are dealt with by the trust. Each individual academy within the SHINE Multi-Academy Trust may have their own behaviour systems for celebrating good behaviour and dealing with poor behaviour. This is outlined at the back of this overarching policy.

1.4 With any policy it is important to acknowledge that special circumstances may apply for individual children. When dealing with a behavioural issue, it is crucial to recognise the individual child, the context of the incident and the impact the sanction will have on all parties involved.

1.5 All SHINE staff will be made aware of the behaviour policy and the Academy Head teacher will review it regularly in order to provide fair, consistent and clear procedures for all.

2. Legislation

2.1 SHINE academies will work closely with the School Council and to hear their views and opinions as we acknowledge and support Article 12 of the United Nations Convention on the Rights of the Child that children should be encouraged to form and to express their views.

2.2 This policy will be annually reviewed, made available to all stakeholders and consistent throughout the school in accordance to the School Standards and Framework Act 1998.

2.3 As a multi-academy trust we strongly endorse the banning of all forms of corporal punishment which has been defined as 'the use of physical force causing pain, but not wounds, as a means of discipline'.

2.4 We as a school community have a commitment to promote equality. Therefore, an equality impact assessment has been undertaken and we believe this policy is in line with the Equality Act 2010.

2.5 We in the trust believe this policy relates to the following legislation:

- School Standards and Framework Act 1998
- Education and Inspection Act 2006
- Apprenticeships, Skills, Children and Learning Act 2009
- Education Act 2011
- School Discipline (Pupil Exclusions and Reviews) (England) Regulations 2012
- [The Education \(Independent School Standards\) \(England\) \(Amendment\) Regulations 2014](#)

5. Poor behaviour and persistent poor behaviour

5.1 The academies within the multi academy trust may have to deal with isolated incidents of poor behaviour and persistent poor behaviour differently.

5.2 In cases of an isolated incident, the needs of the children involved and context of the incident will be taken into account before making a decision on the sanction.

5.4 It may be the case that the isolated incident requires the staff to follow the academy's exclusion policy- for example cases of unprovoked violence or damage to school property.

5.3 If there is a persistent behavioural issue, additional steps will be considered and support will be offered to the child to encourage them to change their behaviour. This support could include:

- A range of outside agency involvement such as a mentor from the behaviour support team, additional work from an Educational Psychologist or support from CAMHs. This requires permission from the parent and relies on school funding to facilitate so may not always be available.
- Team Around the Child (TAC) meetings may be offered as a way of communicating with a variety of professionals in one place. These meetings may involve representatives from school, health and family to work collaboratively for the child.
- A time out system where the child can choose to leave the classroom for 10 minutes to calm down.
- Additional steps within the whole school behaviour policy to help them to succeed throughout the day.
- Social stories to help with particular triggers for poor behaviour. This can be linked to an individual reward system.
- Regular contact with the behaviour lead/ DHT. This could be a check-up in the corridor, a sit down meeting or be an extra body in class for additional support.
- A specific TA could be assigned to the year group to be on hand should the child need somebody to talk to and DHT/behaviour lead was not available. (This is fund permitting).
- Sessions during the week where behaviour lead/ DHT supports the class.
- In-house behaviour programs such as our Take Care Club.
- Opportunities to work as a mentor for other children to boost self-esteem.

- Individual projects to work on with a TA. This can be a project about future ambitions or idols. Often we can offer a project that will benefit the school in some way to raise self-belief and pride.
- DHT or PE lead to support lunchtime play.

5.4 The academies within SHINE will update parents/ carers regularly about the support in place for their child and its impact on behaviour.

5.4 If persistent poor behaviour continues despite the additional support that has been offered, the academy may choose to issue a fixed-term exclusion.

5.5 If persistent poor behaviour still continues despite additional support and fixed term exclusions, the academy may choose to begin the process of a permanent exclusion. This process is outlined in the academy's Exclusion Policy.

6. Bullying

6.1 SHINE strongly condemns bullying and thrive to ensure that every child feels safe and happy at their school.

6.2 Bullying is where a child is being physically or emotionally hurt on a regular basis for a period of time. The academies within the multi-academy trust have a common understanding of what bullying is.

6.3 If there is evidence to suggest that a child is being bullied within one of the academies, this will be addressed by the academy's senior leadership team and dealt with accordingly. The academy will then report back to the parents and children involved to ensure that all parties feel that the problem has been resolved.

6.4 If appropriate, support will be offered to the child and regular well-being checks will take place to ensure that they remain comfortable at school. The children will know who to go to if they are concerned about bullying within their setting.

Cyber Bullying

6.5 As a trust we recommend that children and parent's adhere to the age restrictions on social media platforms. However it is difficult to enforce this from the school setting.

6.6 We address internet safety and appropriate use of the internet through our PSHE and ICT curricula across the MAT. We also have regular e safety assemblies to keep the pupils updated with rules and advice.

6.7 We recognise that sometimes bullying can occur through social media and impact on the child's time in school. If cyber bullying takes place, we will do our best to resolve the issue and look after the child in question. However, we recommend that if parents/carers feel that the issue has not been resolved that they contact the police.

6.8 There may be incidents where the school feels that it is necessary to involve other outside agencies, including referring to social care, if we are concerned that a child is accessing inappropriate media. This can include the disregard for age-restrictions on games or social media.

Positive Behaviour Management

At Whitemoor Academy we believe in high expectations for both learning and behaviour. We promote good behaviour through a variety of systems:

- Staff at Whitemoor Academy may give children little treats or stickers to say well done for a particular achievement.
- If your child has a perfect week their teacher might decide to give them some golden time or an activity of your choice.
- Children can be given points for good work or trying hard. The children with the most points at the end of the week will have a treat afternoon with a member of SLT. The class with the most points will receive an extra playtime.
- Children can be awarded by moving your name up to 'Amazing'. This means they can get a special treat from SLT.
- Special postcards may be sent home to parents to explain why certain children have impressed us so much.
- If a child has never missed a playtime for a whole term they will be awarded with a 100% good behaviour badge and a certificate to take home.
- If they do this for all 3 terms parents will receive a special letter home to tell them how proud the staff are of the child.

Remember what children do out of school is important too. We like to hear about their achievements so we can celebrate their success.

Dear Parent/Carer,

This Golden Letter is a mark of your child's excellent behaviour throughout this academic year. Over the year Inaya Iqbal has shown 100% good behaviour. This means that they have never had to miss a playtime since the first day back at school in September.

Here at Whitemoor we feel that it is important to recognise this achievement and to reward these outstanding children.

This letter is also a chance for the staff at Whitemoor Academy to say a massive thank you for this contribution towards a well-behaved school.

Inaya Iqbal is clearly a fantastic role model for the rest of the children in the school and we are confident that this will continue throughout the rest of their time at Whitemoor Academy (Primary and Nursery).

Thank you

The whole Whitemoor community

Badges for perfect term

Behaviour Management

At Whitemoor every child begins the day on the perfect day. This is because we believe a new day is a fresh start. If you are not behaving as well as we know you can, you will have to move your name down to the next stage of the behaviour chart. The chart works like this:

- 1. Verbal warning
- 2. Time out (missed play and a phone call home from the teacher)
- 3. Sent to Phase Leader
- 4. Sent to Deputy- phone call home.

The class teacher will phone home to make parents fully aware of what has happened in order for the child to miss their play.

There may be slight differences between the stages depending on the year group or the individual child's needs.

3, 6, 9

At Whitemoor we log how many missed plays each child has had and the reason for this.

3 missed plays- your parents will have a letter posted home to explain that you are not behaving as well as you could do.

6 missed plays- your parents will be invited to a meeting to talk about your behaviour.

9 missed plays- you will have to have some time where you can't come to this school because your behaviour has been too bad. This can be for 1 day or longer.

If you have to miss a playtime, we put it onto a computer. We write when you have missed your play time and why you missed your play time. Also, if you have to miss your playtime, the teacher will phone home to talk to your mum and dad.
